Principal's Messages  ~  This week, we commence after school programs, and swimming for Years 1/2, 2/3 and 3/4.

School Values
We have had a really positive start to the school year, and I thank everyone for their supportive efforts in ‘getting down to work, and on with the job’.

Students are responding well to discussions about rules and procedures. As you know, Kolan South is strongly committed to high standards in all areas, and a particular focus has been RESPECT, CARE and CONSIDERATION for others, and use of POSITIVE, appropriate and COURTEOUS LANGUAGE.

Sausage Sizzle Fundraiser
The P&C will be running a sausage sizzle at 1st Lunch next Monday, 24 February, as a fundraiser. Depending on the success of the sausage sizzle, this may be organised on a more regular basis eg once a month. Please refer to the details included in this newsletter (over the page). We hope you can support the fundraiser.

* Tuckshop will still be on, as usual, on Wednesday.

After School Programs Commence

P&C Committee
The P&C Annual General Meeting for 2014, and the first general meeting for the year, was held last Tuesday. Thank-you to those who attended. There were the usual productive and positive discussions, with the P&C keen to continue the excellent support for our school.

Thank-you to out-going President Sally Houghton who gave a wonderful report on the committee’s achievements in 2013.

Thank-you to our 2014 executive for accepting their nominations:

President ~ Sherry Wilson  Secretary ~ Cathy Simpson  Vice-President ~ Kirsty Wood  Treasurer ~ Nicole Blackley

Our next meeting will be held on Tuesday, 11 March, when we will discuss major fundraisers and activities for 2014.

RULE OF THE WEEK

BE KIND, CARING & CONSIDERATE
Ever heard of the RIPPLE EFFECT?
• Try to do at least 3 kind acts, each day
• Do something to help someone else

PARENTS WELCOME!
One of the things that we believe is essential at Kolan South for a healthy school community is a strong involvement and engagement of parents in our school. It has been particularly pleasing to see the number of parents visiting our school, involved in or participating in school events and activities. Without our volunteers, school would be a very different place. I would love to see this continue to improve even more, this year. Parents, you are always welcome at Kolan South. Please look for ways you can become involved. Together, we can achieve amazing things for our students.

**ENGLISH**
**by Laura & Riley**
In English, this term, we have been reading 'Red Dog'. We have gathered information for our Red Dog blog and our character profiles. We are enjoying the story.

**MATHS**
**by Simran & Mitchell**
In Maths, we've been improving our strategies for mental computations. Other features of the Maths morning include Fact of the Day, Problem of the Day, and other interesting topics. We are improving our knowledge every day.

**SCIENCE**
**by Kai & Todd**
Our Science unit in Term 1 is all about WATER. Students are currently investigating the melting rate of ice in salt water solutions of varying densities. Liquids of different densities can form layers eg oil and water.

**HISTORY**
**by Lara & Paris**
In History, we are learning about the convict settlement in Van Diemen’s Land (Tasmania). We are writing a report about the life of the convicts, including information on diet, housing, clothing, treatment, work and leisure. This is a convict uniform (1830-1849).

**ART**
**by DesHiree Jane**
The Year 6/7 students are working on line and colour in an art task where they are using their name in a creative work.

**COMPUTERS**
**by Dan**
In Physed, we have been doing skipping, strength exercise, and cooperation and teamwork games.

**JAPANESE**
**by Desu**
In LOTE, the Year 7s have been revising and helping to teach the Year 6 students how to write their names, and simple sentences such as ‘Hello. My Name is …’. We’ve also learnt how to say the names of other countries in Japanese as well as answering quiz questions.

Todd, Kai and Paris show off our salt water solutions. More salt makes the solution more dense (heavier).
