Principal's Messages ~ Thanks, Parents, for the taking the time to come along for Parent / Teacher Meetings.

Tuckshop Changes

Our long-serving Tuckshop organiser, Janelle Duffy, is unable to continue as convenor due to work commitments. We are very grateful to Janelle for her wonderful contribution to our school over recent years. Thanks a million, Janelle.

In the interim period, while we are seeking a new convenor, there may be some special food days eg sausage sizzle, hot dog days, as communicated in the Informer. Keep an eye on the newsletter regarding these arrangements.

Sausage Sizzle this Wednesday, 26 March

This Wednesday, 26 March, the P&C will run a sausage sizzle instead of the usual tuckshop. Students may purchase up to two sausages on bread at \$2 each. No ordering required.

Thanks to our P&C mums for organising this sausage sizzle for the students on short notice.

Parent / Teacher Meetings

This week we have Parent/Teacher Meetings going on throughout the week. It will be great to see parents at this early stage of the year regarding progress and strategies to ensure students are achieving to their best possible level.

Parents, if you haven't been able to fit in a time for a meeting with your child's teacher, please try to arrange this in the near future. It is in your children's interest.

TUCKSHOP CONVENOR REQUIRED

We are seeking expressions of interest for a tuckshop convenor. This is a voluntary position. Convenor duties are:

Prep Class News

English

We have been working very hard on learning

Getting ready to share our family pictures with the class.

History

In history, we have been exploring families. We have been looking at our family background by sharing family pictures and creating a family tree.

Our Family Trees

Here are the Family Trees we created in History.

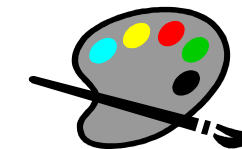

Maths

In maths, we have been counting forwards and backwards to 20. We have been looking at calendars to learn about numbers and the days of the week. Every day, we sing songs to help us remember about numbers and the days of the week. We have been sorting and ordering objects according to size and colour.

Art

In the Prep class we have been having lots of fun building things out of boxes. We call this box construction. We have made many different and interesting items.

Eliza, Aimee and Liam making their box construction.

Liam, Mason and Zaree, wondering what to add next to their creations.
