**Year 1/2 Class News**

**Science**

We’ve been learning about how toys move. For our first experiment we changed the slope of the track. The second experiment we changed the mass of the train. For our third experiment we changed the surface. Children brought toys from home and explained how they moved.

April wonders how the slope will change the speed.

Isobel changes the mass of the train.

Savannah releases the train.

Ryley’s Jack in the box.

Note’s car.

Matthew’s excavator.

Kameron’s fire truck.
