Kolan South Established in 1878

Kolan South State School strives for a Quality Education for All Students ~ Respect ~ Responsibility ~ Safety

Principal's Messages ~ Best wishes to our Year 1 & 2 students, staff and parents on the Snakes Downunder day trip.

Discovery Coast Trip, a Great Success!

Last Friday saw the Discovery Coast excursion team arrive home safely. Our trip to Agnes Water and the Town of 1770 was a tremendous success, and a memorable experience. Fortunately, we were blessed with good weather conditions for wonderful days at Lady Musgrave Island and on the LARC tour to Bustard Head.

Thank-you to all involved for a great two days, especially our parent volunteers, Melissa Chapman, Kristine Arnott, Jotika Prasad, Jeff Hammelswang and Peter Myers who gave up time away from families and work to support our trip.

Congratulations to the students for being great ambassadors of Kolan South. Next week, the inside pages of the newsletter will be devoted to photos from the Discovery Coast excursion.

Snakes Down Under Excursion

Our Year 1 and 2 students will be having their trip to Snakes Down Under this Thursday, 27 November. This is our final excursion of a busy program, this term. Have a terrific day, everyone.

CQU Mobile Education Trailer Visit

A Mobile Education Trailer (MET) from the Central Queensland University will visit our school this Thursday morning to provide an information session for Year 6 and 7 students.

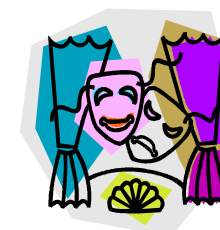

The MET program assists students to better understand a range of career opportunities through stories from high profile role models. We hope the Year 6 & 7 students find the presentation both interesting and informative.
