Year 1/2 Class News

English
We have been identifying the problem and solution in narratives. Now we are discussing various emotions portrayed in picture books.

‘Wilfred Gordon MacDonald Partridge’ By Liam
Miss Nancy lost her memory and Wilfred got shells, an egg, his football and a puppet. Then she got her memory back.

‘Koala Sam’ By Ryer
The problem was there was a big fire. The fire was big. She was thirsty. Some rangers came and picked up Koala Sam. They fixed her and she was happy.

‘Just Jack’ By Kameron
At the start Jack was worried because he thought no-one would like him so he decided to put on his Super costume. Then he felt confident to go to kindy.

‘Just Jack’ By Ryer
At the start he was worried because he was going to kindy. Then he remembered his costume and put it on.

History
Our personal Memory Quilts show things that have made us happy, sad or laugh during our past. We remembered special times, significant events and celebrations.

Science
We have sorted living and non-living things. Living things such as animals and plants all grow. Some non-living things were once living. For example paper is not living but it is made from living trees. Leather is made from animal skins.

Art
Our focus has been making collages, washes over crayon and patterns. We have made a fish, camouflaged frog, a caterpillar and lollies.
