School Improvement Review
We had very positive feedback from the school review team last week, after they spent two days in the school talking to staff, students, parents and community groups and representatives. Special thanks to P&C members who attended a meeting on Monday afternoon. The continuous improvements and achievements of our school community and the positive school tone and pride were highlighted and recognised by our reviewers.
Recommendations and findings will help us develop school priorities and strategies for the next four years, until our next review. Thanks, everyone for your input.

Silver Medal in Bundaberg Maths Teams Challenge
Our students have once again brought home a medal from the Bundaberg District Maths Teams Challenge held on Thursday of last week. It was a great effort from our Number One team of Chloe Gathercole, Rydar Wood, Amber Blanch, Zahli Schrader and Flynn Purkis. Brayden Wilson was away sick on that day but also shares in the success.
Well done to all of our representatives who participated in the event. Other students representing our school were Tahnya Donald, Travis Blanch, McKenzie Ferguson, Jacob Donald, Lewis Douglas, Taleah Jarvis, Lily Pannowitz, Tyson Donald, and Taygan Schulze. Thanks also to staff members Kathy Nielsen and Debbie Romans for helping to supervise teams on the day.
Our school has achieved an amazing record of winning either 1st or 2nd in 7 out of the last 8 years at the district Maths Challenge. That is a pretty special accomplishment!

English Competition Results
In July, students in Year 2 to 6 participated in the Australasian English Competition. Well done to all students for their efforts. Congratulations to these students who achieved a higher award:
