Note for Parents / Guardians

Our school newsletter includes regular photos of students involved in school and classroom activities. The weekly Informer is also posted on the school website each week. Kolan South participates in interschool sport and swimming at different times throughout the year, involving a number of bus trips to destinations away from Kolan South State School.

Please complete this permission form (for 2012) and return to school. This form replaces other previous permissions. If you require a separate form for each student, contact the school office. Thank you.
